I like football. I play once a week, at the weekend. I like watching it on television too. My wife, Kate, and I have got two televisions. She doesn't like watching football at all. I watch football downstairs and she watches films in our bedroom. I like rock music too – and so does Kate.

My husband and I have got one daughter. We don't usually go out in the evening. Sometimes we get a video and some Chinese food – I don't like cooking. We both like films. Once a month my sister stays with us. She stays at home with our teenage daughter, Sally, while we go to the cinema. I like going to the cinema.

*Kate*

I like listening to music. I like pop music and jazz but I don't like rock. At the weekend I go to a jazz club with my friends. Courtney Pine is my favourite musician. I like going to the cinema and theatre too.
